

# Family Resource: Drawing on a Dream

## Introduction

Materials:

- Word prompts
- Cut out shapes
- Range of different materials

In Gallery 1 is the work of Balinese artist I Gusti Ayu Kadek Murniasih, also known as 'Murni'.

Look around the gallery at Murni's work. What can you see?

Notice colours in the room. How do they make you feel?

Find a comfortable spot to sit down. Close your eyes. Take a big breath in. And a big breath out.

Wiggle your body. Give your hand a gentle squeeze.

Let a colour that you love fill your mind as you breathe in.

Why do you love it? How does that colour make you feel?
