

WHAT IF

1

Jimmy Robert uses paper as one of the Materials in creating ART.

Have an explore around your home and see if you can gather lots of different types of card and paper.

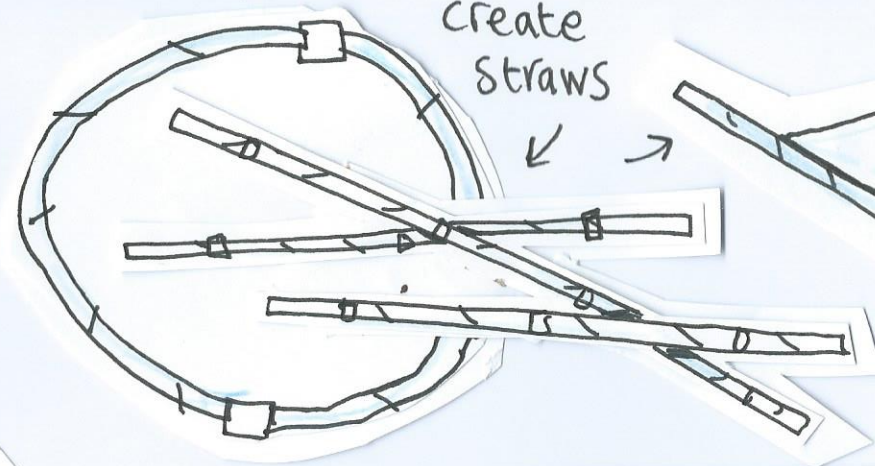

You have all the Materials you need around you to Create your own ART...

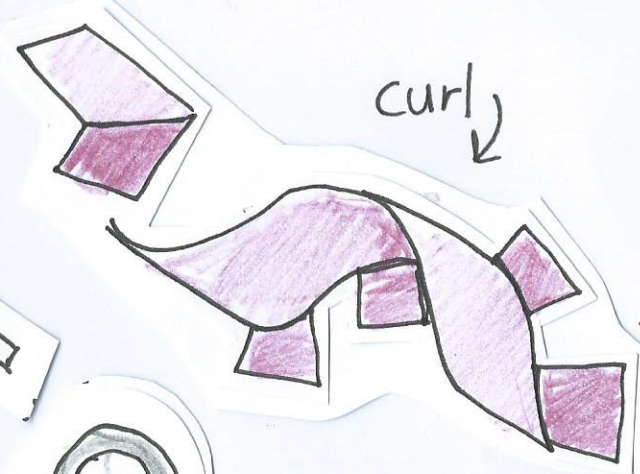

crumble

create straws

curl

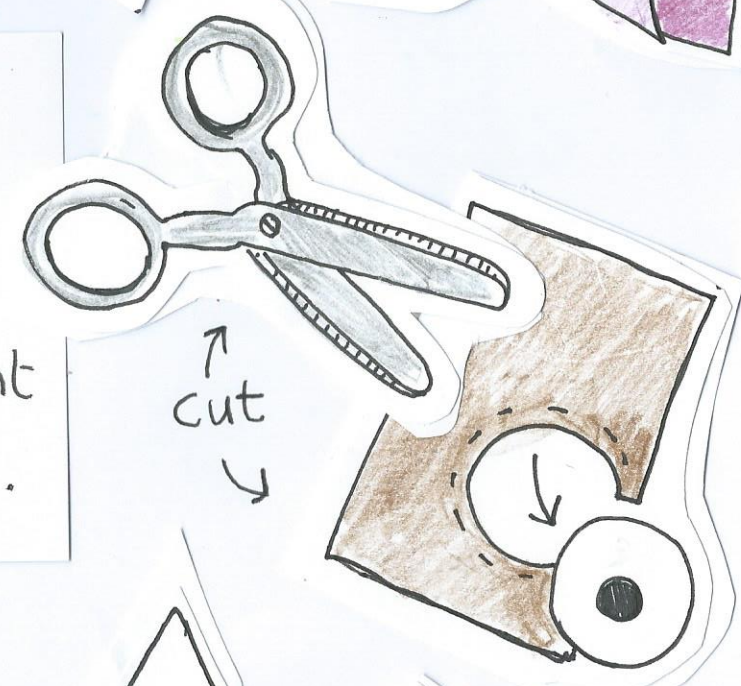

Screw up

There are so many different ways to sculpt with paper and cord. Experiment with different techniques and materials.

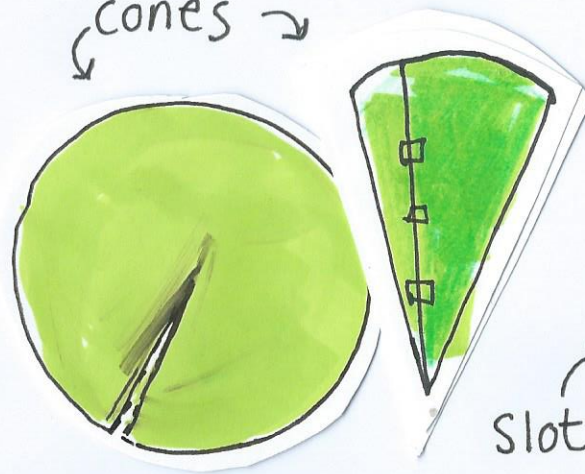

cut

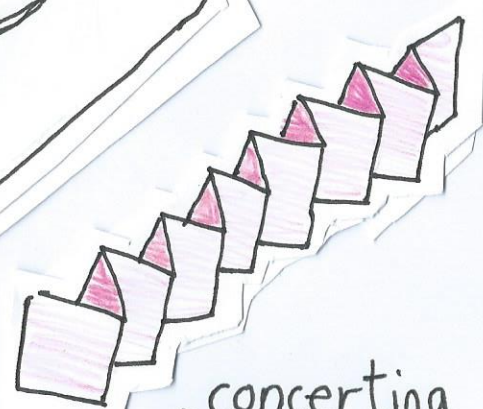

Rip

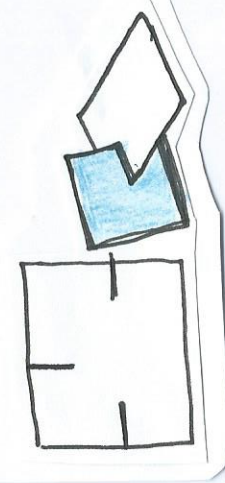

cones

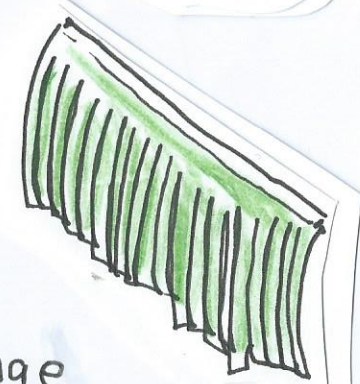

concertina

Slot

Fringe

Think about covering
a chair or other familiar
objects and turning it
into something.
Sculpt and manipulate
the paper and card to
transform the world
around you.
