

Grace Jones - Love is the Drug - 1980

't ain't no big thing

To wait for the bell to ring

't ain't no big thing, the toll of the bell

Aggravated, spare for days

Stroll downtown in the redlight place

Jump up, bubble up

What's in store

Love is the drug and I need to score

Showing up, showing up, hit and run

Boy meets girl and the beat goes on

Stitched up tight, can't shake free

Love is the drug got a hook on me

Ohhoh, catch that buzz

Love is the drug that I'm thinking of

Yea-eh, can't you see, love is the drug for me

't ain't no big thing

To wait for the bell to ring

't ain't no big thing, the toll of the bell

Late at night I parked my car
Staked my place in the singles bar
Face to face, toe to toe
Heart to heart as we hit the floor

Limbo up, limbo down
The locked embrace, stumble round
I say go, s/he say yes
Dim the lights, you can guess the rest
Hey, catch the buzz
Love is the drug that I'm thinking of
Baby, can't you see
Love is the drug for me

't ain't no big thing
To wait for the bell to ring
't ain't no big thing, the toll of the bell

Hey, catch the buzz
Love is the drug that I'm thinking of
Baby, can't you see
Love is the drug for me

Repeat and fade out
