using clothes or a blanket, bed sheet or even your duvet, choose a body part from your 'HIDE' list and one from your 'REVEAL' list.

Take turns to choose a body part to hide or reveal.

Cover yourself in a blanket or coat until you are completely hidden.

Your partner will then shout out

Hide your legs!
Reveal your elbow

To make it more of a challenge see if you can hide and reveal more than one part of your body, how many can you do, hide 3 body parts and reveal 5 body parts!

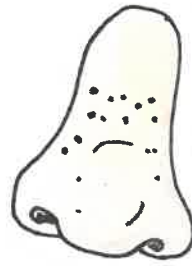

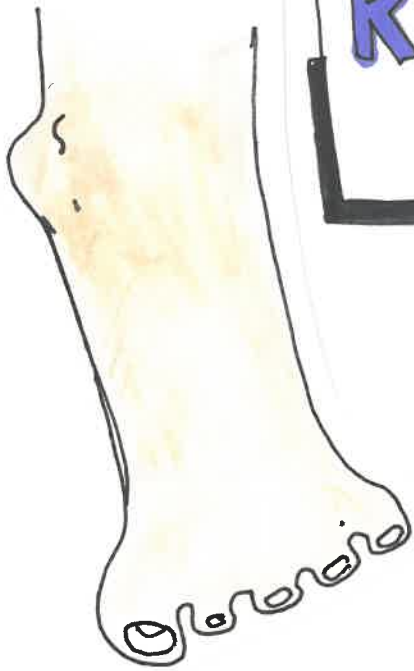

Hide your head
Reveal your nose
and mouth
